

Workshop on “Innovative Teaching Learning Materials for Effective Teaching”

Inspiration College of Teacher Education conducted a two days workshop on “**Innovative Teaching Learning Materials for Effective Teaching**” on 29th Feb 2020 and 1st March 2020. Head of departments, faculty members and pupil teachers from 14 colleges of Kumaun Region participated in the workshop.

The chief guest of event was Professor K.S. Rana, Honorable Vice Chancellor, Kumaun University, Nainital. The chief guest in his address to audience highlighted the need of learning throughout life on a person. The chief guest mentioned that education plays a significant role in development of a nation.

Dr. Seema Dhanik, Principal, Inspiration College of Teacher Education presented the Key note address.

In the first session of the workshop the Resource Person Professor N.C. Dhouniyal, S.S.J. Campus Almora described the meaning and essential components of “Effecting Teaching”.

In the second session of the workshop Professor Vijaya Rani Dhoundiyal, S.S.J. Campus Almora, explained the role of T.L.M. in Effective Teaching. The participants of the workshop were provided opportunity to analyze TLMs prepared by previous batch pupil teachers and evaluate them with respect to qualities of a good T.L.M.

In the next session of workshop the Resource person was ICT expert Ms.Smita Pant. In this session of workshop the Resource Person illustrated use of various ICT tools as webinars, Google forms and on line learning apps.

In the evening session of the workshop the Resource Person Prof. D.K. Goel discussed “How to Make TLMs”. The qualities of a good T.L.M. were discussed in this session.

On day 2 of the workshop the participants from various colleges prepared TLMs on specific topics in different Teaching Subjects. The judges for the event were Dr. Anita Joshi (H.O.D. Dept. of B.Ed) and Dr. Renu Rawat (Asst. Prof.) M.B.G.P.G College Haldwani. First and Second positions were secured by pupil teachers of

Inspiration College of Teacher Education for T.L.M.s on topics “Preposition” and “ Plant Cell and Animal Cell” respectively. Third Position was awarded to Pupil Teachers of Mariyam Institute of Higher Studies for T.L.M. on “Place Value” in Mathematics subject.

This workshop provided an opportunity to all the academicians from various teacher education institutions to interact and share their views on role of Teaching Learning Materials in Effective Teaching
